Zachariah Diaz

Senior Project Manager

London, United Kingdom · Sample résumé for the MinTraq sample profile · Not a real person

PROFILE

Project manager with 11 years delivering technology and operations programmes across Europe. Runs projects with clear scope, honest status and early warnings, so sponsors are never surprised. MinTraq Verified: Senior Project Manager readiness, 82/100 (Strong).

EXPERIENCE

Senior Project Manager 2021 to present

Northwind Software

- Leads a portfolio of six delivery projects across product and operations, with a combined budget of 4.2M.
- Brought a platform migration that was six months late back on plan within two quarters.
- Introduced weekly risk reviews; escalations to the steering group fell by half.

Project Manager 2017 to 2021

Harbor and Vale Consulting

- Moved 30 regional offices onto one finance system in 14 months.
- Managed four vendors and a team of 18 across three countries.

Project Coordinator 2015 to 2017

Cedarline Consumer Goods

- Planned and tracked supply chain improvement projects for the operations director.
